# LONDON STATIONERS GOLFING SOCIETY

## Report 1994

It is my pleasure to report that the society's 61st year proved as enjoyable as any of the previous sixty with the highlight a most successful and well organised trip to Dorset for the Captain's Outing.

When I say well organised I am not being self-congratulatory because, as is now traditional, all the donkey work is performed by the incumbent Captain and some of this is done a good 18 months in advance of the actual event. We have to go back to our visit to Gleneagles to recall such stunning scenery as we enjoyed from the Club House, and from many tees, of the Isle of Purbeck course... at least in the morning - low cloud and persistent drizzle arrived in the afternoon. Fortunately the second day was warm and sunny at Ferndown and the two days proved to be well up to the standard we now come to expect for these outings. Congratulations to David Stride for providing the means for us to enjoy the courses and beautiful surroundings in comfort and style.

We look forward to Brian Tolley's tenure and, as you will see amongst the attached scrolls, he has already been hard at work with his Summer Outing. I hope you will support him, starting by returning the Entry Form as soon as possible so he can further the arrangements.

The Society is proving popular, with the membership now up to the nineties. It seems many guests have such a good time they don't need much persuading to enlist! This is as much a tribute to the hospitality of our members as to anything else. Our reputation as a friendly bunch continues to spread - long may this be so.

Before giving you the 1995 dates I would like to make my personal thanks to all those who have given their assistance to me in the running of the Society. It is a bit unfair to name names as there are many who cheerfully chip-in when needed. Nevertheless, thanks are due to The Captain, to Geoff Fowler, Norman Emery and not least to someone who makes a massive contribution to the pleasure we all gain from the meetings - our Treasurer, David Morgan. Thanks also to John Young, George Walder, and Spicers for providing our stationery requirements. Not forgetting, those very important people - our sponsors - thank you all very much.

Here are the 1995 events :

April 28	* Spring Meeting .....	Potters Bar Golf Club .....	sponsored by Nobo
June 1	President's Trophy.....	Gerrards Cross Golf Club .....	sponsored by Jet
June 15	Stationery Championships	Maxstoke Park Golf Club .....	sponsored by 3M
Jul 20/21	Captain's Outing .....	Brailes/Broadway Golf Clubs	
Sep 29	* Autumn Meeting .....	Camberley Heath Golf Club	

\* these two meetings are available for sponsorship in 1996. The Spring Meeting will be at a different venue (suggestions welcome)

Finally, enclosed is a Telephone Directory prepared in January. Yes, I know it is out of date but that is because many of you omit to advise of job and home changes. Do please check your numbers and advise of any alterations so I can up-date this useful list by mid-summer.

In conclusion may I wish you all a happy and relaxing season of golf in 1995.
