

LONDON STATIONERS GOLFING SOCIETY

REPORT 1995

The new season commenced on April 28 with a bumper turn-out of 50 at Alf Goldsmith's home club of Potters Bar. The course and weather were much drier than on the previous year and RICHARD BRODERICK pipped our sponsor, Peter Kent of NOBO on count- back for the JACK RYMAN CUP. Our next outing was the familiar visit to Gerrards Cross, once again sponsored by JET Stationery. Forty-two enjoyed a dry day and PETER TILLEY convincingly won the PRESIDENT'S TROPHY. On to July and Brian Tolley's impeccably organised Captain's Outing. Brailles was the first day venue and very warm it was. ALAN WOOD adapted best to the heat taking the Singles with 38 points. The weather turned cooler next day for the main event at the delightful Broadway course and ERIC SMITH won the CAPTAIN'S SALVER with 41 pts (and earned a further reduction to his handicap, more of which later). The two days were greatly enjoyed by the 38 participating members and guests which must have gratified the Captain who worked long and hard to get the details right. CAPLAN again sponsored the Autumn Meeting at Camberley, 48 members and guests had dry weather and DAVID STRIDE romped away with the JOHN BOND CUP, three ahead of Richard Broderick, by now struggling (??) off a single-figure handicap - his 39 points was still good enough for a further stroke deduction (to 8). At long last the two notorious pirates, SMITH & BRODERICK, have been brought to justice - it wouldn't have been so bad if they hadn't continually protested their innocence

In brief, another successful year with an encouragingly high level of support. The only upsetting aspect being the discovery of the disappearance of one of our most valuable cups, the President's Trophy, which loss unfortunately was not covered by insurance - due to the mysterious nature of it's theft.

My thanks to Brian Tolley for his sterling contribution to a successful season, well up to the high standards of previous years. As always David Morgan gave me, and the Society, tireless support. And we can look forward with confidence to the new season safe in the knowledge that Brian's successor, Geoff Fowler, is already well into his arrangements for July - as you will see from the enclosed letter. By the way, if any member can help with sponsorship assistance Geoff will be very glad to hear from you. I am sure you will join with me in wishing him well and trust he will receive your fullest support.

As a reminder here is the diary of 1996 meetings (I might add double-checked and verified as opposed to the earlier list I sent out a few month's back which had 2 errors one of which was the apparent radical departure from the norm: the Autumn Meeting arranged for a Sunday - not apparent until you put it in your diary !)

Thursday April 18 - sponsored by **Shawcross & Dickinson Ltd** at **DENHAM GOLF CLUB**
Thursday May 30 - sponsored by **Jet Stationery Co. Ltd** at **GERRARDS CROSS GOLF CLUB**
Thurs/Friday July 4/5 - **Captain's Outing** to **BOTLEY** and **STONEHAM GOLF CLUBS**
Friday Sept. 27 - sponsored by **Caplan Office Furniture** at **CAMBERLEY HEATH GOLF CLUB**

As usual all meetings consist of 36 holes, a snack lunch and the main meal in the evening with the wine and prizes generously provided by our worthy sponsors.

I hope you will be able to fit in at least one of our meetings this year, as always you are most welcome to bring a guest - but do get in early as we often get perilously near the limit - not surprising when we have 95 current members.

The entry form for the Spring Meeting, wherein is also held our Annual General Meeting, is enclosed. Denham is one of our old happy haunts, I attended my first meeting there in 1975 and had the cheek to win with a very mediocre nett 78 - but then the attendance was only 19. Times have changed ! It is a lovely place with plenty of off-course distractions to hold the interest if you are not playing well. Our Captain, Brian Tolley, extends a warm invitation to this the final meeting of his term.
